Smithsonian National Air and Space Museum

This year's premier tour attraction is the **Steven F. Udvar-Hazy Center**

Our 2019 Reunion Day Trip will be a tour of the Smithsonian National Air and Space Museum, Udvar-Hazy Center in Chantilly, Virginia which is the companion facility to the Air and Space Museum on the National Mall in Washington, DC. The 760,000-square-foot facility holds numerous exhibits, including the Space Shuttle Discovery, a Lockheed SR-71 "Blackbird", a Concorde, and the Enola Gay. The facility is handicapped accessible and has more than 200 aircraft on display. Don't wait on this one!

NOTE - All visitors must pass through security screening upon entry. The fewer carry-on items you bring inside the Museum, the faster your entry (and visitors behind you). Prohibited items include such things as pocket knives, food or drinks, and tripods. Other prohibited items and general visitor tips can be found at the website link below:
