2021 DAY TRIP INFORMATION

THURSDAY SEPTEMBER 16

The National Army Museum celebrates the selfless service and sacrifice of over 30 million men and women who have worn the Army uniform since 1775. It is a technological marvel incorporating the latest advances in museum exhibits while providing advanced educational opportunities that capture the attention of visitors old and young. As the Army's national landmark, the Museum honors United States Soldiers – past, present, and future – and provides an interactive educational experience explaining the Army's role in creating and defending our nation, as well as the Army's social initiatives and contributions for more than 240 years.

The National Army Museum is located on 84 acres at Fort Belvoir, VA, less than 30 minutes south of our nation's capital in Washington, D.C. The main building is approximately 185,000 square feet and displays selections from the Army Art Collection, artifacts, documents, and images. The vast majority of these rare and priceless artifacts have never been seen by the American people. The Museum will welcome an estimated 500,000 to 700,000 visitors every year.

How can I join this trip? Complete this form and return it with your Reunion Registration.
